My health file

The facts a new doctor, a pharmacist or an emergency room will ask for, on one page. Keep it where someone you trust can find it, and update it when something changes.

Conditions

Condition	Year diagnosed

Medicines and supplements

Name and dose	Prescriber	Pharmacy

Allergies

Allergy	What happened

Care team

Name and role	Phone	Portal

Insurance

Plan name and type	Member ID	Deductible and out-of-pocket maximum

Who speaks for me

Health-care agent and alternate	Phone	Where my advance directive is kept

Hospital I'd choose:

Results worth keeping:
